FOOTWEAR AND LEATHER

PIAN FOR PRODUCTION LEATHER FOOTWEAR EXCEEDED -- Trybuna Ludu, No 151, 3 Jun 49

Eugeniusz Stavinski, Minister of Light Industry, has been notified that the state footwear industry exceeded its 3-year plan for production of leather footwear on 30 May 1949.

The plan estimated the leather footwear production for the 3 years as 10,800,000 pairs. In 1947, the production of leather footwear reached 3,144,000 pairs, in 1948, 4,938,000 pairs, and in 1949, from 1 January to 30 May, 2,810,000 pairs, making a total of 10,892,000 pairs, which is 100.3 percent of plan. In addition, from 1 January 1947 to 30 May 1949, the state footwear industry produced 7,689,000 pairs of footwear other than leather.

Pledges were made by the industry to produce an additional 4.1 million pairs of leather footwear during the remaining part of 1949. With this additional transfer of 1949 with the remaining part of 1949. tional production, the footwear production will be 138 percent of plan.

MAY PRODUCTION OF LEATHER INDUSTRY -- Rzeczpospolita, No 157, 10 Jun 49

The State Leather Industry achieved its production quota for May 117.7 percent. The value of this production at prewar prices is 26,731,700 zlotys. This is 162.5 percent of the value of the production for the same period last year.
